# FOREWORD

This work is an invitation to return to God, to the light of faith and to the power of prayer spoken sincerely. It is a guide we can return to in the morning, in the evening, or whenever we feel a need for peace, courage, protection, hope and guidance.

The affirmations in this manual are spoken in the first person so that everyone can feel them as their own words. Through them, I choose to bless my life, my home, my family, my work, my plans, my belongings and all the paths I walk.

I do not speak these words out of fear, but out of faith. I do not ask to control life, but to receive the wisdom to recognize what is good for me, the strength to move away from what hurts me and the courage to go forward with dignity.

May every page become a moment of contemplation, gratitude and closeness to divine goodness.

# CHAPTER I — DIVINE AND ANGELIC PROTECTION

*Blessing my being, my soul and my path*

## 1.1. Prayer for divine protection

Lord God, Heavenly Father, Creator of life and all existence, today I turn to You with an open heart and a soul full of faith. I ask You to be beside me at every moment, to enlighten my mind, strengthen my heart and guide my steps along the right path.

I entrust to You my being, my thoughts, words, actions and all my plans. I place my life, my family, my home, my work and every place I go under Your blessing.

Lord, surround me with the light of Your love and help me keep peace, courage and trust within my soul. May Your light remind me every day that I need not live in fear, that I can choose goodness, protect my peace of mind and move ahead with dignity.

I call upon Jesus Christ, my Savior, in my prayer and ask that His teachings of love, forgiveness, truth and kindness guide me. May every decision I make be in harmony with goodness, truth and respect for myself and others.

I choose not to let fear rule my life. I choose faith instead of anxiety, wisdom instead of haste and peace instead of conflict. I receive the strength to recognize what is good for me and to firmly move away from what troubles my soul.

Lord, be my light on bright days and difficult days. Be my support when I do not know the answers and give me patience to wait for the right moment. Amen.

## 1.2. Invocation of Archangel Michael for courage and protection

Archangel Michael, guardian of light, courage and divine justice, I call upon you respectfully in my prayer. May the symbolic power of your sword of light remind me to choose truth, preserve my dignity and refuse to be ruled by fear.

Please help me strengthen my emotional boundaries, recognize people's intentions through their actions and not allow malicious words, injustice or conflict to steal my inner peace.

May any influence that is not in harmony with my well-being lose its power over my thoughts and choices. May I have the discernment not to take into my soul every word, judgment or burden that does not belong to me.

Archangel Michael, guide me to say “no” when necessary, withdraw from situations that harm me and choose people who respect me. Give me courage to defend my peace without hatred, revenge or the desire to hurt anyone.

Today I choose to walk with my head held high, a pure heart and trust in God. I do not let fear overwhelm me, because I remember that I can ask for help, make wise decisions and find the strength to keep going.

May divine light guide me, and may courage, wisdom and peace accompany me in every circumstance of life.

## 1.3. Affirmations for the protection of my soul and energy field

I am under God's blessing and choose to live my life in light, faith and peace.

I bless my soul, mind and body. I give them care, respect and attention because they are part of the life I have received.

I choose which thoughts I nourish, which words I welcome into my heart and which influences I allow into my life.

No malicious word has to define my worth. No unfair judgment can determine my identity. I know my dignity and am learning to look upon myself with respect.

I imagine myself surrounded by warm, protective divine light. This light reminds me that I have a right to peace, safety, love and relationships in which there is mutual respect.

I free myself from the burden of worries that do not belong to me. I do not take responsibility for every emotion and choice made by others. I keep my compassion while respecting my boundaries.

I choose not to answer evil with evil. I choose to step away from conflict when necessary and save my energy for what builds, heals and brings joy into my life.

I receive with gratitude peace, clarity and the strength to protect my soul. I trust in God and make choices each day that support my well-being.

## 1.4. Blessing for my entire day

Lord, bless the day opening before me. Bless my thoughts, words, encounters and every path I will walk.

May my steps lead me to suitable people, favorable circumstances and experiences I can learn from. Help me recognize good opportunities and have the wisdom to avoid what is not right for me.

Bless the place where I work, the people I collaborate with and all my responsibilities. Protect my family and loved ones and give us all strength, health, patience and understanding.

I choose to welcome this day with confidence. I do not know everything that awaits me, but I can face it with discernment, courage and faith.

May goodness come into my life, and may I have eyes to recognize it, a heart to receive it and wisdom to preserve it.

So I choose. So I believe. So may it be, in harmony with the Supreme Good. Amen.

## 1.5. Prayer for the protection of my family

Lord God, today I entrust my whole family to You. I entrust to You my children, parents, partner, brothers, sisters and every soul I carry in my heart.

I ask You to guide us each day, enlighten our minds, protect our steps and grant us wisdom to make good choices.

Lord Jesus Christ, place Your blessing upon my family. Help us live in love, respect, patience and understanding. Remove the misunderstandings that divide us and teach us to listen to, forgive and support one another.

Archangel Michael, I call upon you in my prayer for the protection of my loved ones. May the symbol of your sword of light remind us of courage, truth and the strength to remain united through trials.

Archangel Raphael, I ask you to bring comfort to those who suffer and to be a symbol of hope, health and recovery. Archangel Gabriel, enlighten our communication and help us speak gently to one another. Archangel Uriel, grant us wisdom and clarity.

May God's angels accompany us along each of our paths. May we meet good people, blessed encounters and circumstances in which we can grow and live in peace.

Thank You, Lord, for my family. I bless them today and every day. Amen.

## 1.6. Affirmations for moving away from people who harm me

I choose to keep in my life people who offer me respect, sincerity, kindness and peace.

I am not obliged to remain in relationships that hurt me, humiliate me or drain my emotional strength. I have the right to withdraw, set boundaries and choose distance when it is necessary for my well-being.

Lord, illuminate my path and help me recognize people by their actions, not merely their promises. Give me discernment to see the truth and courage not to cling to relationships that are no longer healthy for me.

I bless all paths that separate peacefully and all encounters that bring light into my life.

I wish no harm upon anyone and hold no desire for revenge. I simply choose no longer to offer unlimited access to my life to those who do not respect my soul, my time and my dignity.

Archangel Michael, guide me in protecting my peace. May God remove harmful circumstances from my path and direct my steps toward sincere, fair and kind people.

I choose peace. I choose respect. I choose the freedom to move on.

I entrust myself to Divine Light and imagine my whole being surrounded by a luminous shield, a symbol of faith, love and God's protection.

No wickedness must guide my thoughts. No judgment can take away my right to know my worth. No difficult situation can erase my hope.

I keep my soul open to love while protecting my boundaries. I receive goodness, offer goodness and choose not to become involved in conflicts that are not mine.

Under God's protection I go forward with confidence. With Jesus in my prayer, Archangel Michael as a symbol of courage and the angels as symbols of divine guidance, I choose not to live in fear.

I am at peace. I am protected through faith. I choose light, love and truth. Amen.

## 1.9. Prayer for the protection of children

Lord God, Heavenly Father, today I entrust my children and all the children I love to You. I entrust their steps, thoughts, souls and the path they will travel in this life.

I ask You to enlighten their minds, protect their childhood and grant them the joy of discovering the world with confidence, curiosity and wisdom.

Lord Jesus Christ, be near them every day. Help them grow in love, kindness, courage and respect. Guide them toward people who encourage and respect them and help them discover their gifts.

Archangel Michael, I ask you to be a symbol of their protection and courage. Archangel Gabriel, enlighten their minds and help them express their thoughts and feelings. Archangel Raphael, bring hope, comfort and the blessing of health into our prayers. Archangel Uriel, guide their learning and wisdom.

May God's angels accompany them at school, at home, on journeys and everywhere they go.

Lord, grant me too the wisdom to be a patient, attentive and loving parent. Help me give my children safety, encouragement and a good example.

I thank You for the gift of children and for every day in which I can watch them grow. Amen.

## 1.10. Affirmations for parents and elderly people

Lord God, today I direct my prayer toward my parents, grandparents and all the elderly members of my family.

Bless their years, health, souls and each of their days. Give them peace of heart, strength in difficult times and the joy of feeling loved, respected and appreciated.

May this house be a place of joy, rest and love. Amen.

## 1.12. Prayer for peace of mind and freedom from fear

Lord God, I come before You with all my worries, all my questions and all the fears I sometimes cannot put into words.

I ask You to calm my mind and strengthen my soul. Help me stop seeing every unknown thing as a danger and stop wasting my strength trying to control what does not depend on me.

Lord Jesus Christ, teach me to move forward in faith. Help me not to give up when I encounter difficulties or lose hope when answers are slow to arrive.

Archangel Michael, inspire my courage. Archangel Gabriel, bring clarity to my thoughts. Archangel Raphael, accompany my soul with hope and comfort. Archangel Uriel, illuminate my path when I do not know where to turn.

I choose to breathe peacefully, gather my thoughts and look at each situation with patience. I do not have to solve everything in one day. I can take one step and then another.

My fears do not define me. I am a being who can learn, rise again, ask for help and move forward.

I entrust myself to divine love and gratefully receive the strength to live this day with greater peace. Amen.
